ABOUT THE KIMBELL ART MUSEUM

The Kimbell Art Museum, owned and operated by the Kimbell Art Foundation, is internationally renowned for both its collections and its architecture. The Kimbell's collections range in period from antiquity to the 20th century and include European masterpieces by artists such as Fra Angelico, Michelangelo, Caravaggio, Bernini, Velázquez, Monet, Cézanne, Picasso and Matisse; important collections of Egyptian and classical antiquities; and the art of Asia, Africa and the Ancient Americas.

The museum's 1972 building, designed by the American architect Louis I. Kahn, is widely regarded as one of the outstanding architectural achievements of the modern era. A second building, designed by Italian architect Renzo Piano, opened in 2013 and now provides space for special exhibitions, dedicated classrooms and a 289-seat auditorium with excellent acoustics for music.
